Another Beautiful Life
PODCAST GUIDE

This guide is intended to be used as a complement to my podcast “Another Beautiful Life.” Please take some time to be contemplative in your answers. My suggestion is to ask the Holy Spirit to lead you through it before you begin. I’m already praying you hear His voice clearly.

Episode 1 - Another Beautiful Life

Things don’t always go as we’ve planned, hoped, or dreamed. And certainly, things happen in our lives that we surely didn’t want or ask for.

- 1) If you packed all the things and events (material or immaterial) in your life and put them in a box, what would you label that box?

I mentioned that God’s intervention and provision in my life was a matter of life or death, literally. Not just a happy coincidence or a fortunate blessing. Everything I faced, and everything I needed required a supernatural occurrence. That just means that there was no way it could be accomplished by human standards or effort. Only by a supernatural, divine intervention was it going to happen.

- 2) Looking through that box of your life’s things and events, where can you find evidence that God has been active and working in your life?

When my husband died, I felt like all was lost in an instant. I kept saying, “My life is over.” I couldn’t see any scenario where I was “living” again. But then those words, came: “Tricia, you can have *another* beautiful life. It may not look like the life you lived for the past 30 years or the life you dreamed for your future, but it *can* be good and beautiful.”

3) If you could have “Another Beautiful Life”, what would you want it to look like? What would you be doing?

4) Take a moment to close your eyes and ask the Lord what *His* picture of your beautiful life looks like. Write down what truth you “see” or “feel” Him telling you.

If you’re having difficulty fully receiving and/or believing God’s truth for you, it’s possible that you might need to take a little time to discover what lie you’re believing that is blocking this truth. Take a moment to ask the Lord to expose that lie right now.

He intends for you to live an abundant, beautiful life...full of life and joy, satisfaction and contentment.

Friend, your life’s story is not over, and neither is mine. In fact, to some degree, it’s just beginning. God is writing your story with “pages” of the every-day that roll into “chapters” that ultimately culminate into a beautiful life and redemptive story. No matter what, the things and events that you feel like define your life - whether those are beautiful or not - God is inviting you to trust Him with your circumstances. Maybe even just one more time - to be vulnerable enough to let it all go in order to trust Him. I promise, you will be amazed at what you find when you do. Friend, I’m praying you will always choose to live Another Beautiful Life.
